

Installing this web App on your phone

On Android

Using a browser like Chrome or Samsung Internet:

1. Open the website of the PWA.
2. Tap the **three-dot icon** in the top right corner to open the menu.
3. Look for and tap **Install app** or **Add to Home screen**.
4. Confirm by tapping **Install** or **Add**. The PWA will now appear as a regular app icon on your home screen.

On iPhone or iPad

Using the Safari browser:

1. Navigate to the PWA in Safari.
2. Tap the **Share button** (the square with an upward arrow) at the bottom of your screen.
3. Scroll down and tap **Add to Home Screen**.
4. Tap **Add** in the top right corner. The app is now saved to your home screen.
